## Yardage required for cap-sleeved dress:

(Note: If you use an overlay, you will need the same amount for that in addition to your fashion material.)

45"/115cm	5 ½	5 ½	5 ½	5 ½	5 ½	5 ½	5 ½
60"/150cm	4 ¾	4 ¾	4 ¾	4 ¾	4 ¾	4 ¾	4 ¾

## Yardage required for puffed-sleeved dress (elbow- or bracelet-length):

(Note: If you use an overlay, you will need the same amount for that in addition to your fashion material.)

45"/115cm	5 ¾	5 ¾	5 ¾	5 ¾	5 ¾	5 ¾	5 ¾
60"/150cm	4 ½	4 ½	4 ½	4 ½	4 ½	4 ½	4 ½

## Yardage required for bodice lining:

(Note: If you choose to line the entire dress, you will purchase the same amount of lining as you do fashion material. It is not necessary to fully line a dress of heavy fashion material, but you may wish to line skirt pieces if your material is thin.)

45"/115cm	1	1	1	1	1	1	1
60"/150cm	1/2	1/2	1/2	1/2	1/2	1/2	1/2

## Fabric suggestions:

Cotton, linen, silk, taffeta, voile, organdy, batiste, velvet. For overlay: chiffon, voile, lace.

## Notions:

Thread, 22" zipper (or 18 3/8" buttons if you prefer).

## Notes:

"Why are all the yardage requirements the same?" you might ask. It's the length of the pattern pieces that matters rather than their width. You can fit all sizes from 6 to 18 in the same amount of yardage. If you choose to size the pattern up above 20, I would recommend adding only a quarter of a yard to these amounts. Remember, if you are using a fabric with nap (like velvet) or with an obvious directional pattern, add up to half a yard more to allow room to match precisely.

5/8" seam allowed on all seams.
